Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 02 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Breezy and damp tonight, drier later.

This Evening and Tonight:
Breezy with heavy showers continuing into the evening, before gradually clearing northeastwards. Most places then turning drier with some clearer spells developing, winds becoming light. Minimum temperature 2 deg C (36 deg F).

Wednesday:
Most places dry with some bright or sunny spells and generally light winds. Perhaps some showers spreading east later. Maximum temperature 8 deg C (46 deg F).

Outlook for Thursday to Saturday:
Thursday and Friday, some bright spells but also some showers, which could be heavy at times. Saturday, further spells of rain likely, turning wintry later as colder east winds develop.
